We thank God for our feast that we were able to enjoy together in a spirit of unity and dedication, with love for our people and deep devotion to Saints Peter and Paul. Many joined us in the church and in our village squares, while many others followed the celebrations through the media. Everyone felt that we truly had a beautiful feast, because they witnessed a joyful and enthusiastic community spirit. May we now continue throughout the whole year to work for one another and with one another, because this is what makes us a true parish.

A special word of thanks goes to all the organizations responsible for the feast decorations, who worked tirelessly so that our village could be beautifully adorned; to the fireworks enthusiasts for the great sacrifices and risks they undertook so that we could celebrate in such a wonderful atmosphere; to the Mnarja Youth Section for the artistic surprises that amazed everyone; to the Band Club for their commitment and dedication in providing the music and festive atmosphere; to the External Feast Committee for coordinating everyone's efforts; to the Local Council for its continuous support and for maintaining cleanliness throughout the feast area; to the police and security forces for ensuring everyone's safety; and to the local shop owners for their cooperation.

Our heartfelt thanks also go to all those who took care of the cherished liturgical celebrations held in the church: the clergy, the altar boys, the sacristans and volunteers who decorated the church; those who quietly came to clean and wash before and after every celebration; those who prepared the flowers; those in charge of transmitting the feast live on social media, the Radju Luminarja team, those who organized the music and singing for each day of the novena, especially during the Triduum and on the Feast Day; and those who planned and led each day's liturgy, so that every moment of prayer allowed us to experience something of the beauty of a life lived in communion with God and with one another.

Let us continue to pray to Saints Peter and Paul for one another, especially for the weakest among us, for those who feel lonely, for those who are sick at home or in hospital, for those going through life's difficulties, and for those suffering because of conflict or lack of understanding within their families or among friends. May the Apostles teach us to speak with one another as they did, and draw us closer to God, who knows us, loves us, and desires us to be with Him so that He may heal and strengthen the heart of each and everyone of us.
